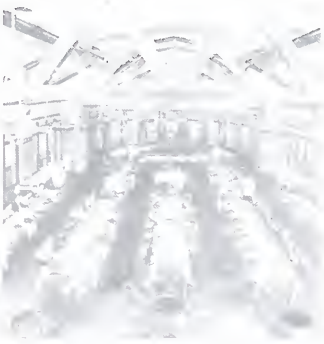
A Place in History
Founded in 1828, McKendree is Illinois' oldest college. It was first called Lebanon Seminary and in 1830 the name was changed to McKendree College in honor of Bishop William McKendree, the fourth Bishop elected by the Methodist Church.



This Doesn't Look Like Ames
Pearson's was the dining hall in 1913. This is a view from the balcony. Students and professors could buy a week of meals for only $2.25.

An Upward Spiral
The spiral staircase is just one of the features in the Hettenhausen Center for the Arts building. This year construction was well underway with opening scheduled for fall 2006.

Events

Euro Trip
Lester McQuaid stands in the square in Brussels, Belgium. He and a group of McKendree students toured Europe during Spring Break 2006.

End of School Fun
McKendree students enjoyed a day in Horner Park at the all school picnic in 1976. Included in the festivities were three bands and all the beverages your cooler could hold.

Humanitarians of the Year
Dr. Lyn Huxford and Shazad Baig were presented the Martin Luther King Jr. Humanitarian Award by Dr. Dennis. They were the first ever recipients of this award.

Fall Play - Macbeth

And the Plotting Begins
Macbeth (Sean Henderson) and his wife (Sara Trask) plot to kill, so that Macbeth becomes King of Scotland.

Something Old....
In the spring of 1963, the McKendree theater department also put on Macbeth. Here the three witches brood over their cauldron. "Double, double, toil, and trouble. Fire burn and cauldron bubble."

Visions
Macbeth (Sean Henderson) begins to have visions that only he can see and is trying to convince the others that he is not mad.

It Can't Be True
Ross (Chris Ridenour) visits Lady Macduff (Mary Henderson) and during their visit Lady Macduff finds out her husband has been killed.

Four hundred years ago, the great English playwright William Shakespeare wrote the story of a man who meets his downfall because of the supernatural, as well as his own ambition. Whether or not Shakespeare intended for Macbeth to be a timeless message remains a haunting question to this day, but the message of Macbeth was brought to McKendree audiences from November 3rd through the 6th, thanks to its presentation by the McKendree College Theatre Department.

"Macbeth is one of the great literary works, and I'm more than pleased that McKendree's Theatre Department decided to present such a thought-provoking piece," senior Sarah Haefner said.

The show was directed by Michelle Magnussen and included a cast of the following individuals: Sean Henderson, Sara Trask, Andrea Knoll, Sarah Robinson, Devin Dippold, Matt Kupferer, Rick K. Fagan, Jared Michael Evans, Connie Ruhol, Jacob Heil, Christopher D. Ridenour, Adam Schwind, Crystal M. Cole, Amanda Dotson, Mary Henderson, Anna K Everett, Valerie Morrese, Jermaine Dunigan, Jason Luitjohan, Phillip L. Neal, and Doug Magnussen.

"I've seen Macbeth performed many times, and I know the legend that surrounds the play. I was hoping that the so-called 'Curse of Macbeth' wouldn't make an appearance in this production. Although I hear that there were a few unexplained technical problems, the 'curse' certainly did not hurt the high quality of the production," junior Paul Woodruff said.

Toil and Trouble
Macbeth (Sean Hendrson) consults one of the witches (Devin Dippold) about his next plan of action.

Royal Performance
Macbeth is dead and Malcolm (Jared Evans) is now King of Scotland.

New Student Orientation

Mattress Surfing

The class of 2009 was welcomed to McKendree College on August 25, 2005. As students moved their belongings into residence halls and said tearful goodbyes to loved ones, they also began to lay the foundation for academic success, extracurricular involvement, and perhaps most importantly, friendship, at New Student Orientation. This year, incoming students were treated to four days of activities designed to make first-year students a part of the McKendree community.

New Student Orientation requires an intensive amount of preparation to complete. Craig Robertson, director of Campus Activities, is also the director of the New Student Orientation program. He and his staff, led by seniors Lindsey Hawkins and Greg Mennerick and juniors Dan Casper and Kyle Lappington, worked diligently the week of orientation to ensure that first-year students had a positive first impression of the college.

While students are required to participate in college-related activities, most students seem to enjoy the social activities that New Student Orientation offers each year. This year, students had an opportunity to bowl for free, watch a magician, and dance at the Foam Dance Party, among other activities. "I took a sombrero from Dr. Dennis' Mexican dinner, and believe me, I looked awesome with it in the foam pit," freshman Jeff Jones said.

Group Work
First year students discuss their summer reading, "Into the Wild" by John Krakauer.

Dancin' in the Foam
Students enjoy the foam party in front of the Lair.

I am Woman, Hear me Roar
The first-year students participate in many ice-breaker games.

McKendree College opened its doors to family and friends of students and staff for the annual Fall Family Weekend, held September 23rd through the 25th. This year's celebration offered an array of activities for everyone, including athletic events, musical and theatrical performances, as well as academic presentations.

This year, students, staff, and their guests had a chance to watch four of McKendree's finest athletic teams, as the women's soccer, volleyball, football, and hockey teams all had home games. Live entertainment was provided by "The Smash Band" before the start of the football game versus Ohio Dominican University.

In addition, guests enjoyed the annual Murder Mystery Dinner, which not only entertains McKendreans and their guests, but incorporates them into the production, as well. "During the murder mystery dinner, I was afraid they were going to wrongfully accuse me of a crime," sophomore Gary Best said. Also providing entertainment were comedian Steve Hofstedder and ventriloquist Lynn Trefzger.

For one student, the highlight of the weekend was the annual Faculty and Staff Chili Cook-Off. "I'm always a fan of food, but I'd like to give a quick suggestion to some of the staff. The chili could have used more beans," sophomore Steve Loftus said.

Hang on!
Amber Jackson and her friend go for a spin on the carnival ride set up in the quad.

Pomping and Parading...

This year, the McKendree College community paraded into the 2005 Homecoming, McKendree Mardi Gras. During the week Campus Activities Board sponsored a variety of activities designed to get students involved in the celebration, such as the Baby Bottle drinking contest. Additionally, students involved in campus organizations met on the quad to decorate their club's respective float. Before the game, students and faculty alike paraded down the streets of Lebanon for the annual Homecoming Parade.

"I was happy to be a part of the parade with the Marching Bearcats, and I'm proud of McKendree students for keeping their floats tasteful, in light of the tragedy in New Orleans," junior Mark Wonnacott said.

Homecoming was also a time for the classes of 1955, 1980, and 1995 to enjoy their 50, 25, and 10 year reunions respectively.

Bottle Boys
Anthony Clervi, Trevor Maloch, Tim Williams, Chas Maloch, and Brian Markway participated in the challenging and humorous baby bottle chugging contest held during homecoming week.

Wheeee!
Sudarsun Koirala plummets down the obstacle course slide in the Quad. Activities, including inflatables and a face-painting stand, were in place for all to enjoy.

Alpha and Omega?
Members of Alpha Phi Omega ride atop their mardi gras float during the parade. Not only did this float and many others sport a mardi gras theme, but also they showed off their football fanatic side.

Grid Iron Game Time

Let's Go Cats!
The cheerleaders added school spirit to the fence around the field using styrofoam cups.

The McKendree Bearcats football team chalked up a 27-3 Homecoming victory against the University of St. Francis. Senior kicker, Stephen Webb, and sophomore running back, George Smith, brought McKendree to a 10-3 lead in the first half. McKendree pulled away in the second half with runs by junior fullback Adam Radno and junior running back Dominique Jones. The Bearcat offense posted 313 yards on the ground against St. Francis, while the Bearcat defense allowed only 187 yards.

After students showed their school spirit during the Homecoming football game, they had an opportunity to show off their dance moves at the annual Homecoming dance, held October 22, 2005, at the Adams Mark Hotel in St. Louis, Missouri. Tickets were 22 dollars per person, with two dollars from each ticket going toward the Hurricane Katrina relief fund. Students were treated to food, as well as high-quality music.

"My favorite part about the dance were the toasted ravioli and the little Mardi Gras masks that they gave us. I'm also glad that they didn't play too much Gwen Stefani," sophomore Squeaky Johnson said.

Unlike many other schools, McKendree announces its Homecoming Court and crowns its Homecoming King and Queen at the Homecoming football game, in order to give the candidates and the event maximum exposure.

This year, the nominees were seniors Amber Schaefer, Aaron Povolish, Lindsey Hawkins, Chris Cunnings, Danielle Chambers, and Greg Mennerick. Attendents were juniors Lindsay Weathers and Lester McQuaid, sophomores Lauren Frizzo and Pat Sears, and freshmen Ashley McRaven and Dennis Bisto. Chris Cunnings and Lindsay Hawkins were crowned Homecoming King and Queen.

Brown Bag Lectures

McKendree College holds lectures almost every Wednesday at noon. McKendree students, faculty, and staff, along with occasional off-campus speakers, present on a variety of subjects from religion and politics to the benefits of study abroad. This year, McKendree offered a diverse set of Brown Bags, ranging from a parliamentary debate by members of the McKendree Speech & Debate Team to a presentation on Japanese culture. Other presentations included an analysis of which issues matter to liberals and conservatives, as well as a presentation on autism and Asperger's Syndrome.

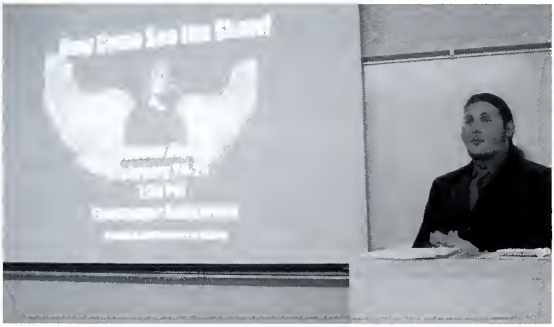
"My favorite presentation was the one on squirrels and nuts by Dr. Mike Henshaw. Not only was it a really cool topic, but I think that we need to have more discussions of science on this campus. We shouldn't be afraid of Voigt, nor should we think that science is somehow blasphemous," sophomore Jon Brown said.

Yukata Finery
Lindsay Robertson, Dr. Tami Eggleston, and Jolene Fisher posed in Japanese robes in this picture presented during their Brownbag talk.

Vietnam Debate
McKendree held a debate titled "Is the Present American Policy in Vietnam in the Best Interest of the United States" in 1966

Ichigo Ichie
Jolene Fisher and Lindsay Robertson told the assembled audience about their experiences on the Technos trip to Japan.

Fallen Angel
On February 1st, 2006, Devin Dippold spoke about his senior honors project, a two year venture to create and produce a one-man play about the life of Kurt Cobain.



Athletics Wear
On March 1st, 2006, three students and a professor, Devin McQuillan, Katie Stieger, Katie Hubbard and Dr. Tami Eggleston, gave a presentation on women in sports and the legacy of Title IX.

Intimate Politics
Dr. Frederking talked to his audience about the differing thought processes of conservatives and liberals.

Stress Fest

Pancakes ease the pain

For those students who are nervous about their final examinations, Campus Activities Board has the answer. During fall and spring finals, CAB sponsored Stress Fest, a series of activities designed to get students away from their books, at least for a few minutes. CAB showed holiday movies in the Lair, to set the tone for the upcoming Christmas break. But, there are two activities that always seem to generate the most support from students. Each night at midnight, students have an opportunity to play dodge ball.

"The dodge ball game is fun because it keeps me from falling asleep when I need to study, but I don't do a lot of that anyway. The bad part about it is that I get bruises," sophomore Gary Best said.

The other activity that students flock to is the biannual Pancake Dinner, where members of the faculty often show up in the middle of the night to feed hungry students.

"I'm a growing boy. I need my pancakes. Sometimes I like to drink the maple syrup straight from the bottle. My friends gave me a dollar to do it," sophomore Steve Lottus said.

Chill'axin
Adrian Jones, JaRon Dent, and Brandon Wyms took a break from studying. What a "bright" idea!

Career Fair

The Office of Career Services sponsored a career fair geared toward McKendree alumni and students. About 40 companies and organizations were represented at the event, including: A.G. Edwards & Sons, Inc.; Allsup Inc.; Belleville AmeriCorps; Community Link; Country Insurance & Financial Services; Edward Jones; Jim's Formal Wear Company; KDNL-TV; Pepsi MidAmerica; Regions Bank; Stifel, Nicolaus & Company, Inc.; United States Marine Corps Officer Selection Office; and Wells Fargo Financial.

Students were encouraged to dress professionally and to bring along copies of their resumes. The career fair was an excellent opportunity for students to find information on local companies and possibly spark interest in a job or internship.

"The fair is a wonderful time for students and alumni to network with employers regarding internship and full time positions," said Joni Mitchell, director of career services.

Happy Birthday McK!!!

Music & Cake
Dean Reynolds leads students and faculty in Happy Birthday. Afterwards everyone enjoyed the traditional birthday cake.

On Wednesday, February 22, 2006, the McKendree College community celebrated the school's 178th anniversary. McKendree College was founded on February 20, 1828 by pioneer Methodists, and the school was originally called McKendree Seminary. It began with two rented sheds and only 72 students. Two years later in 1830 the school was officially renamed McKendree College.

During the lunch hour in Ames, students and faculty were invited to sing the traditional Happy Birthday and to enjoy a large birthday cake. Later the evening in Person's Hall, many alumni and supporters of the college gathered for a dinner and presentation. The theme of this year's celebration was technology. In accordance with this theme, three current McKendree debate team members and three former debate team members debated the question of whether or not computers have enhanced higher education. Juniors Paul Woodruff and Mark Wonnacot and freshman Sami Leonard made up the proposition team and alumni Jana Brady '00, Chad Kaffer '00, and Ryan Anderson '01 made up the opposition team

Spring Storm

Damaging History
A White Oak tree believed to be more than 150 years old was brought down by a severe storm that rolled through Lebanon on May 26, 2004.

April 3, 2006 a quickly moving storm, later identified as an F-1 tornado, swept through Lebanon and the surrounding areas. The tornado tore the roof off of West apartment 1201, smashed cars, and broke numerous trees in half. First-year student Mandy Embrich was inside her car when a tree fell on it. Other students moved to interior halls and basements to wait out the storm. Thanktully, no one was injured at McKendree.

The next day, classes were cancelled while more than 200 students, faculty, and staff volunteered their time to clean up the debris littering campus. President Dennis thanked the volunteers saying, "t thank you for your efforts and quite honestly have never felt more proud to be at McKendree than I did as I watched you contribute your time and effort to this task."

Through the Roof
Students were evacuated from apartment 1201 after a tornado ripped the roof off of the building. The residents were all safe, but had to be relocated for the rest of the semester.

Timber
Upper campus had damage to over 50 of the old trees. Some of the trees were snapped in half, while others were completely uprooted.

Putting Those Muscles to Work
Members of the football team were ready to help clean up the campus. Students, faculty, and staff all pitched in to help pick up debris.

Clearing the Way

Distinguished Speakers

In 1998, George A. McCammon established the George E. McCammon Memorial Distinguished Speaker Series at McKendree College with an endowed gift in honor of his father, Dr. George E McCammon. Dr. McCammon served as a Methodist minister for eighteen years before becoming president of McKendree College in 1919. Like his father, Mr. McCammon believed that significant learning is not limited to the classroom. With this gift to McKendree in his father's honor, he created a forum for the exchange of ideas that occurs outside of the classrooms.

The theme for the 2005-2006 school year was "The Fourth Estate: Ethics, Responsibility, and Commitment of the Media." Notable speakers included Marcy McGinnis, Senior Vice President of News Coverage at CBS News, prize-winning journalist Bob Levey, and Chris Wallace, host of Fox News Sunday.

George A. McCammon
George A. McCammon, a 1925 graduate, founded the George E. McCammon Memorial Distinguished Speaker Series. Many famous people have visited McKendree including Maya Angelou, Val Mazzenga, and Elie Weisel.

Distinguished Speakers

One Way to Get a Parking Spot
Award-winning journalist Bob Levey came to speak at McKendree and was given what every student desires: a close, personalized parking space. The talk, given on February 2, 2006, was entitled: "Ethics in Newspapers - Endangered, But Stronger Than Ever."

Newsworthy
News Correspondent Chris Wallace was the featured speaker on March 6, 2006. In the photo above, Dr. Duff presents Mr. Wallace a plaque commemorating his presentation.

A Towering Presence
On October 11, 2005, President Dennis introduced Marcy McGinnis, Senior VP of News Coverage at CBS Television Network to speak on the topic: "Can the News REALLY be Fair, Accurate and Objective?"

Fine Arts Series

World Renowned
Michael Lorimer, a classical guitarist, captivates a McKendree audience in 1969. Lorimer, a student of Andres Segovia, displayed his musical skill with a program of music spanning four centuries.

McKendree College's 2005-2006 Fine Arts series has allowed students to enjoy the beauty and elegance of music from all over the world. With the show-cased musicians specializing in a wide variety of instruments, from the harpsichord to the piccolo to even the basic cello and piano, the Fine Arts series always provided the audience with a spectacular performance. The series was made possible highly in part by contributions and support from the Illinois' Arts Council and the McKendree College Office of Multicultural Affairs. Bothwell Chapel and Persons Hall served as the venues for the events. Artists included Victor Mendoza, harpsichordist Charles Metz, the Bella Voce choir, piccoloist and flutist Jan Gippo of the St. Louis Symphony Orchestra, cellist Kangho Lee, and pianist Minyoung Lee.

Beautiful Voices
Widely known as "Chicago's premier chamber choir," Bella Voce is famous for their a capella performances and recordings of music from various times and places in history.

A Dynamic Duo
Pianist Minyoung Lee, who has performed across the United States and in Korea, is partnered with cellist Kangho Lee, who has appeared in television in America, Korea, and South Africa. The pair combined their talents during their April performance at McKendree.

Musician, Educator, Enthusiast
Hapsichordist Charles Metz, who plays with the Bach Society and doubles as a teacher at Washington University, featured music of Bach and Rameau in his October performance at McKendree on his 1650 replica of a Flemish harpsichord.

Virtuoso Vibraphonist
Victor Mendoza, who performs both with a group and as a soloist, is one of the world's most talented jazz vibraphonists composers. His visit to McKendree in February added to his world travel, which included performances in London and Prague.

A good "pic"
The March Fine Arts Series concert featured Jan Gippo. Known as "Mr. Piccolo," Jan has been a member of the Saint Louis Symphony for over three decades. He is also the director of a live radio chamber music broadcast program, "From the Garden-LIVE!"

Spring Fling

Spring Fling was held April 29-30. Unfortunately the weekend's events had to be held in MPCC due to bad weather. Spring Fling, sponsored by CAB, hosted a variety of activities for students and their families.

On Saturday, activities included a mechanical bull, t-shirt stand, tons of food, and some popular music. The bands that came to McKendree were Maggie Speaks from Chicago and the Trippen Billies, a Dave Matthew's cover band. The weekend event was finalized with an appearance by The Regurgitator, Stevie Starr. Stevie amazed the audience by swallowing items including a light bulb and a student's ring and regurgitating them in perfect condition.

Baccalaureate

Baccalaureate was held Friday, May 12 at 10:30 A.M. in MPCC. At Baccalaureate, graduates are presented with colored hoods that correspond to their degrees. Provost Dr. Gerald Duff formally hooded the soon-to-be graduates and offered his congratulations. Rev. Dr. Beverly Wilkes was the speaker with the message, "Invest Yourself."

This Little Light of Mine
Sophomores Jared Evans and Sarah Haas served as acolytes for this year's ceremony.

Long Tradition
Baccalaureate has a long tradition at McKendree. In 1997, the ceremony was held in MPCC and was very similar to the service of 2006.

Commencement

The 166th Commencement of McKendree College was held on May 13, 2006. The Class of 2006 included 537 graduates, including 30 master's degrees, 484 bachelor's degrees, and 23 associate's degrees. Of these graduates, more than 140 graduated with honors, 22 Summa Cum Laude, 66 Magna Cum Laude, and 55 Cum Laude. General Norton A. Schwartz, commander of the U.S. Transportation Command at Scott Air Force Base, was the commencement speaker. At the Ceremony, Alumni Director, Jeff Campbell '87, presented Dr. Frank Spreng, professor of economics, with the William Norman Grandy Faculty Award. The award's criteria includes a personal commitment to the student body, a commitment to the ideals of the college as evidenced by a working rapport with faculty peers and administrators, and an awareness of and participation in the community that McKendree College serves. Jeff Campbell also inducted the Class of 2006 into the Alumni Association. President James Dennis awarded Dr. Phil Neale, retiring professor of philosophy, professor emeritus status for his years of service to McKendree College. The Technos International Award was presented to Rebecca Tadlock. This award is given each year to a McKendree College senior who has demonstrated leadership, outstanding academic achievement, and a commitment to promoting international understanding.

McKendree's Campus

Throughout its 178 year history, McKendree College has grown and changed numerous times. The most recent change has been the construction of the Russell E. and Fern M. Hettenhausen Center for the Arts. Ground was broken on Nov. 10, 2004 on what was then Hypes Field. The foundation was poured, the steel beams erected and walls went up surprisingly fast. By the end of the academic year, finishing touches inside and a parking lot were the only items to be completed.

PAC
The Marion K. Piper Academic Center, one of the newest buildings on campus, was built in 2000.

Meet Me at The Hett
"The Hett" Nears completion. Grand Opening is scheduled for November, 2006.

Bearcat Gymnasium
Built in 1959, the Bearcat Gymnasium replaced the outdated Eisenmayer Gymnasium. The new gym housed a playing floor of 50' by 94' made of the very best maple. Since then, the Bearcat Gymnasium has been replaced by the Melvin Price Convocation Center.

Stevenson House
Stevenson House, home of McKendree College president, Dr. James M. Dennis, was built in 1837. It is on the National Register of Historic Buildings.

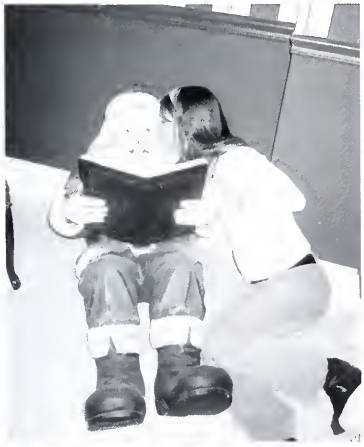
Holman Library
Holman Library, replaced Benson Wood Library in 1970. It houses a stained glass window of Bishop William McKendree.

Downtown Lebanon

The City of Lebanon, founded in 1804, is 24 years older than our beloved college. The current population is 3,700. Downtown Lebanon may be smaller than most communities in which we were raised, or perhaps even larger than some of our home towns. Regardless of the size of our individual home towns, Lebanon is "home" for nine months of the year. The establishments and our patronage of those establishments make up a small piece of the college experience. We shared a lot of good food, fun and memories at many of these locations. Whether we spent time at Dr. Jazz over ice cream and burgers or Schiappa's for pizza, we will recall the fun we had with friends and classmates. Some of us enjoyed meeting friends for refreshments at Ron's or Brewer's. As we return years from now, we will look back fondly at these establishments and the memories created within.

Bunge Bakery
Bunge Bankery sold bakery goods during the day, but at night became a swinging youth center. There was a soda fountain, a jukebox, and a dance floor.

Faces of McKendree



McKendree students do some unusual, strange, funny and occasionally, some normal things. Here are some of them captured in their best, wildest, and craziest moments.

Bearcat Band
The Marching Bearcat Band had several amazing shows this year. Here they are marching toward Leemon Field to play during a Football Game.

Newman Catholic Ministries

With the largest religious affiliation on campus, Newman Ministries was set up at McKendree to meet the needs of Catholic students. The organization is named after Cardinal John Newman who began the first college ministry in the Catholic Church. The group regularly met this past year on Wednesday nights to discuss a certain topic or to address issues in individual lives. Some topics for Newman Nights were "Unlocking the Moral World of Harry Potter," "Sit, Kneel, or Stand. What the Heck are we Doing?," and others. Newman Ministries also sponsored two service projects in Lebanon. Once a month, Mass was held at Bothwell Chapel and usually had around 20 people in attendance.

Campus Ministries

Campus Ministries, a student driven Christian-oriented group led by Rev. Tim Harrison, focuses on spiritual development and growth and is open to all students, faculty, and staff of any faith. Throughout the year Campus Ministries, and associated groups such as the Newman group and FCA encourage student involvement in various activities such as volunteer work locally and globally and involvement in men's bible study, women's bible study, chapel service, co-ed bible study, and attend fellowship events such as Summer Jam and the occasional Coffee House. Campus Ministries also has an annual Mission Trip, which involves students, alumni and people of the local community traveling to such places as Mexico and Pascagoula, MS where they become involved with helping people in need, along with fellowshipping and learning about the culture.

Friends Are Friends Forever
Chapel regulars include: CJ Dulaney, Aaron Povolish, Monica Todich, Allison Witt, Chris Komorech, Jeremy Schofield Jake Heil, Josh Pullen, Jared Evans, Sarah Haas, and Curtis Stahl.

College Democrats and Debate Team

The College Democrats are a fairly recent addition to the college campus. Founded in the last year in the wake of the presidential election, the group advocates for the Democratic position. With political tensions rising over the past few years, those in the minority on campus and in the nation, feel the need to band together to forward their cause.

The debate and individual events team has had much success over the last year. McKendree took first place in debate sweepstakes at Central Missouri State, defeating rival schools Western Kentucky University and the University of Missouri. Team captains Mark Wonnacott and Erin Conner have consistently placed highly in Lincoln-Douglas debate and individual events, respectively. Two novice teams, Kristie Manning and Nell Novara as well as Maggie Baldwin and Courtney Logan, have each won a tournament while going undefeated. Overall, the number of teams advancing to final rounds in tournaments this year has doubled over the previous year. Coach Joe Blasdel, who is proud of this year's accomplishments, adds "this has been a tremendous year for the debate and individual events team. With talented students and a lot of hard work this year, we have become one of the top teams in the Midwest."

Residence Life

ResLife, headed by Jodi Berry, is made up of student leaders who live on campus in the dorms, suites, or apartments. The role of this position is to help new students with their transition to living on campus, and to create a positive atmosphere for all residents. All of the ResLife staff is required to develop programs and activities for the floor community. Their role as a student leader is to be responsible for helping and assisting with any conflicts or problems among the residents. The ResLife staff assists in making McKendree a safer environment to live in by doing nightly rounds in the buildings and creating monthly health and safety checks.

Resident Representatives

Joe Bendoraitis, Sudarsun Koirala, Katie Sledge, Gwen Stokes, Leslie Gummersheimer, Erica Carney, Jason Ayran, Adrian Jones, Andrea Hawkins, Michael Prince, Jared Evans, Monet Sanders, Jenna Huelsman, Rachael Ostertag, Jason Lheureux, Phillip Neal, Brian Schoenherr, Andres Marquez, Khalilah Graham-Hyatt, and Jantzen Eddington.

Student Government Association

The Student Government Association is an elected body of student representatives. Officers and class representatives are elected each spring semester. SGA is responsible for representing the student opinion to the administration of the college. In addition, SGA appoints students to several campus committees, distributes funds to selected student groups, and works for the well being of students within the campus community. The group also holds fundraising events such as the annual Date Auction. At the Date Auction students have the opportunity to bid on a date with an SGA member. The highest bidder gets a date consisting of dinner and a movie.

The Center for Public Service is a student run service organization. The goals of CPS are to contribute to the intellectual development, sense of social responsibility, and active citizenship of students through service. This year, McKendree students volunteered their time at the Highland Animal Shelter, Bohannon Nursing Home, Second Chance homeless shelter, and many other places. CPS worked in conjuction with Lebanon grade school to collect canned goods for the Feinstein Challenge.

Rotaract is a Rotary-sponsored group for men and women ages 18 to 30. There are more than 7,600 Rotaract Clubs in 158 countries. Through Rotaract, McKendree students not only enhance their own knowledge but also address the needs of their communities while promoting international understanding and peace through service.

Philosophy Club and Psychology Club

This year at McKendree an old flame was rekindled in the form of the Philosophy Club. Though an active organization at one time, the Philosophy Club's activity had dwindled in previous years. However, with the advent of the 2005-2006 school year, philosophy scholars Laura Muller and Christopher Ridenour, with the help of other interested students and Dr. Neale, revitalized the club's existence. Twice each month, members gathered to philosophize. At each meeting, there was a topic of the night, such as the United States Constitution and the Stages of Metamorphosis, where discussion began. Freshman Ivan Stoyanov, an exchange student from Bulgaria, presented his own theory on mediocrity. Usually the group met in the Carnegie Lounge, but occasionally had outings to various locations to philosophize.

Psychedelic Psychology
The Psychology Club enjoyed gathering on campus in 1971.

The Psychology Club, which consists of mainly behavioral science students, provides an opportunity for interested scholars to gain more of an understanding of psychology. Advisors, Dr. Murella Bosse and Dr. Tami Eggleston, discuss with students the useful features of professions in the area of psychology. At meetings, club members participated in discussions and demonstrations.

Psychologists
Rebecca Tadlock, Kristin Pankey, Michael Knobeloch, Nicole Kirk, Brittany Zahn, Angela Wilson, Adam Biggs and Shirley Woods.

The Literary Interest Society of McKendree College is an organization for students who enjoy literature and writing. The group's main focus is fundraising for the English department's annual Chicago trip, which consists of a weekend of Shakespeare performances and sightseeing activities. Fundraising activities this year have included holiday gift wrapping, a book sale, literary trivia night, and Chevy's restaurant nights. The current LIS president is Lizz Gloeckner and faculty advisors are Dr. Michael McClintock and Dr. John Greenfield. The overall goal of LIS is to provide an opportunity for English majors and students from other disciplines to discuss, enjoy, and study all forms of literature and writing expression. In that vein, LIS has hosted two outdoor readings: one general and one specifically focused on Shakespeare on his birthday.

Fellowship of Christian Athletes and Student Ambassadors

"Fun, food and fellowship" was the theme of the FCA e-mail one would find in their inbox every Monday morning. Fellowship of Christian Athletes is a student led relational outreach for athletes who want to know how God and athletics mix. The group met every Tuesday night in Upper Deneen to play games and dig into the Bible and its lessons for life. Although athlete focused, the group invited anyone to participate.

The groups were led by 4 huddle leaders: Tim Nagel, Rachael Reed, Katie Hubbard, and Mike Cheesman. This past year the group's events included games nights, attending FCA night at the ballpark, and helping out at local high school FCA's. Fellowship of Christian Athletes is a growing organization and this year's huddle leaders saw an average of 20-25 students a night.

Student ambassadors probably know more about the McKendree campus then most other people. This group of students spends much of their free time and many Saturday mornings showing the McKendree campus off to prospective students. In order to provide a positive atmosphere for incoming students, the ambassadors often get together for many social events throughout the school year. Admissions counselor Josie O'Rourke oversees the student ambassadors.

The Montage and The McKendree Review

A montage is a form of art consisting of a number of smaller items put together - therefore a fitting name for the small literary and art magazine showcasing the talents of the student body in creative writing and art. The ninth volume of "The Montage" came out in the Spring of 2006. The co-editors of "The Montage" were Joshua Hollingsead and Nell Novara. They were assisted greatly by faculty advisor Dr. Jenny Mueller, and the leaders Jayme Blandford, Kelly Paproth, Jolene Fisher, and Lizz Gloeckner.

Faculty judges, Professor Stacey-Doyle for the short fiction and poetry and Professor Ottinger for the artwork, chose the best artwork, poetry, and short fiction. Lizz Gloeckner's photograph "Chicago Train" and short story "Hero's Nothing" were both chosen along with Kelly Boxforder's poem "Tide."

Jolene Fisher, co-editor of "The McKendree Review"

"The McKendree Review" has undergone many changes in its long history. "The Review" began on November 15, 1921. It was discontinued in 1970 for its disestablishment message. Upon its replacement, it again became a staple of campus life. "The Muck-U" as it has affectionately been called arrives every couple of weeks, being slid under our doors, placed in the lounges, outside classrooms, etc. The recent major improvements made in the revered paper have not been able to address the seeming apathy on campus. Journalism professor Gabe Shapior was the Advisor for the 2005-2006 school year. The paper was headed up by co-editors Jolene Fisher and Lori Autenrieb. Cat Gryzmala served as Entertainment Editor while Kellen Hill was Sports Editor. Staff writers include Erica Merlenbach, DaVett Jones, Sara A. Haefner, Barbie Klaus, Kumud Bhandari, Emily Gavilsky, Erin Fry, Yasanne Garrett, Joe Witthaus Shaheera Bhutto, Harlee Rummerfield, Aaron Bond, Aaron Breitbarth, and Ivan Stoyanov. James Cole, Dennice Niblett, and Ashley McRaven served as "Review" photographers.

Yearbook Staff

The yearbook, The McKendrean, has an impressive history at McKendree. Formerly known as the Pigskin, McKendree's yearbook archives date back to 1906. Within that time span there were only a couple years that the yearbook was not produced.

The goals of the yearbook staff are to document the happings of the current year at McKendree through photographs. The staff not only worked hard on workdays, but enjoyed each others company during several parties throughout the year.

ACME and the McKendree Historical Society

CMEmbers
ari McDaniel, Brent Tebbe, Christina Napper, James Cole, Deborah Schlau, eanna Gnaedinger, and CJ Dulaney.

ACME was founded a few years ago at McKendree. The group holds that it is a group for Anime, Cartoon, Comic, Manga (and Gaming) enthusiasts. The group held meetings this year once a week to play video games or watch anime and other cartoons. ACME has hosted 24 on campus before, and in the Fall of 2006 plans to help Librarian Bill Harroff with 15 - a celebration of Japanese culture.

A Related Precursor
ACME has not been the only group of its type on campus. A now defunct game club, shown in the photograph from 1998, existed once upon a time. With the major emphasis on video and board games, ACME members would probably find friends among these older gamers.

Will the South Rise Again?
The McKendree Historical society sponsored a Civil War Reenactment for a few years, as seen in the photograph from 1998. Canon and gunpowder were employed in realistic battlecharges.

The McKendree Historical Society started in the 1980s, but History Clubs have come and gone before on campus. For the third year in the row, the planned trip fell through. The joint Historical Society and Phi Alpha Theta picnic was cancelled on account of stormy weather. The group met once a week to discuss and set an agenda. Movies depicting historical events and figures were watched on a regular basis, and the group did take a trip to the St. Louis City Museum right before Finals week.

Campus Activities Board

The Campus Activities Board is a student-run volunteer organization. CAB consists of several committees, which allow students to network in the job community while gaining experience in leadership, programming, and team creativity. The group plans activities and events for both the campus and community, such as Open Mic Night, Teach Me Tuesdays, Laughter at Half After, Coffee Houses, Family Fall weekend, Homecoming, and Spring Fling. Through these activities, CAB helps foster McKendree spirit throughout the Lebanon community.

Mentoring Program

The Mentoring Program is designed to give McKendree students service opportunities while helping local school children obtain academic support outside the classroom. The Mentoring Program has been in existence for several years. Student Mentors earn service hours while gaining teaching and interpersonal skills. Many former mentors have commented about how much being a mentor changed their lives.

Chorus of 1951
Over the years, choir sizes have changed. In 1951, there were 45 members. A great difference from having 6 members in the 80's. The current size of Concert Choir is 56 singers. The music department is larger than ever with increasing numbers each year.

McKendree's choirs proved to several audiences that they truely have hearts for music. This year, Concert Choir and Cantori were under the direction of Dr. Nancy Ympa. McKendree Concert Choir performed three marvalous concerts. In the Fall, they sang for Fall Family Weekend and amazed their audience at the Christmas Concert. In the Spring, the audience was blown away with selections from Wicked, Phantom of the Opera, Les Miserables, Brigadoon, Show Boat, and other musicals. The concert also included solos from some of the musicals. Concert Choir members also sing for students leaving McKendree at Graduation. Cantori performed several concerts as well. In the Spring, they performed Madrigals of the Past and Present

Bearcat Bands

David Boggs, Director of Bands has assembled an outstanding group of musicians. The bands perform pre-game and half-time shows for all home football games as well as Men's and Women's basketball games. In addition the bands perform concerts, recitals and other special events. One of those special events was new this year - a "Big Band" concert. Alumni and friends enjoyed the familiar tunes of Count Basie, Tommy Dorsey and Mitch Miller. The band program has steadily grown in the past few years and has added a new dimension to the life of the college.

Inter-Greek Council: Greek Week

The Inter-Greek Council is an organization open to the chartered Greek groups on campus. The council meets throughout the year and promotes the unity of the Greek organizations.

One event that the Greek Council hosts is Greek Week. During Greek Week, students have the opportunity to find out what Greek organizations are about. Each Greek organization has a "Speak with the Greeks" session where students can ask questions and hang out. The Greeks hosted other activities during the week such as the Kegger in the Quad and Greek Bowling.

Greek Council
Jantzen Eddington, Jamie Paluczak, Amber Jackson, Jamie Graham, and Sean Martin were a few of the people that represented their Greek organizations on the Greek Council.

Alpha Phi Omega

Alpha Phi Omega is a national, co-ed service fraternity that has set the standard for college campus-based volunteerism since 1925. The group strives to help each member develop leadership skill, experience friendship, and provide service to the community. At McKendree, APO sponsors two annual blood drives, a toy drive, and provides various other service opportunities to the campus community.

Giving to Others
APO was a very popular and active service society in 1973.

McKendree College was nearly ten years old before there was any attempt to organize a literary society on campus. But in January 1837 a public invitation was issued to any students interested in organizing such a group, and the Philosophian Literary Society was formed as a result. Philo is the second oldest literary society west of the Allegheny Mountains. Recently Philo has undertaken an exciting reorganization, with many new students showing an interest in restoring Philo's reputation as a debating society and social fraternity.

Sigma Nu is a national fraternity open to male students on campus who maintain at least a 2.5 grade point average and who are not members of other fraternities. This fraternity tailgates in the fitness center parking lot before every home football game and provided free soda, hamburgers, bratwurst, and chips for fans. Members show a big presence in campus activities including Model United Nations and Trick-or-Treating for Canned Goods, some volunteer with children and elderly people. Each year, they host three main parties for the McKendree student population and plan an official White Rose Formal. Sigma Nu offers members friendship, brotherhood, and professional networking through their alumni chapter.

Sigma Zeta

Sigma Zeta is a national science and mathematics honor society. McKendree was the first college to obtain a charter for the Beta Chapter on June 9, 1926. This year McKendree's Sigma Zeta hosted the National Convention. At the convention, members from across the country attended student research presentations, field trips, and organizational business meetings. McKendree was honored by the convention with the awarding of the Founder's Cup for most active chapter. Other honors included the election of Dr. Michael Henshaw as President Elect and Tyler Sondag receiving the first Presentation Honors Award

Phi Kappa Phi and Sigma Tau Delta

Phi Kappa Phi

The assembled new inductees and officers who conducted the Phi Kappa Phi ceremony proved to be a large group.

Phi Kappa Phi held its third induction on April 20th, 2006. An interdisciplinary honor society, Phi Kappa Phi sponsored a meeting to assist students desiring to become graduate students. The meeting, hosted by Dr. Eggleston and Dr. Boudreau, was well-attended and helpful in telling potential grad students what they needed to do. Also, a first for the McKendree chapter, a McKendree senior, Joshua Hollingsead, was honored by the national conference with a Graduate Fellowship. Sixty of these fellowships are awarded nationwide to members who applied from the over two hundred Phi Kappa Phi chapters.

Charter Members
Michael Knobeloch signs his name in the Chapter's records at the Psi Chi induction ceremony

The Psi Chi National Psychology Honor Society was founded in 1929 and introduced a McKendree Chapter this year. "Promoting excellence in scholarship and advancing the science of psychology are core principals of the honor society," Dr. Bosse said. "It is an honor to have a chapter at McKendree, and it provides a means to recognize the scholarly efforts of our undergraduate psychology students." In addition to Dr. Bosse, faculty advisor for the chapter, McKendree faculty inducted as charter members include Dr. Susan Powell and Dr. Jacqueline L. Kemp '88. The society installed officers and inducted charter members on April 30, 2006.

History Buffs
Like Phi Alpha Theta, the History Club of 1971 enjoyed the exchange of historical information. The only difference is that Phi Alpha Theta considers the History Club of 1971 ancient history.

Phi Alpha Theta is a professional society whose mission is to promote the study of history through the encouragement of research, good teaching, publication and the exchange of learning and ideas among historians. Its goal is to bring students, teachers, and writers of history together for intellectual and social exchanges to promote and assist historical research and publication by members in a variety of ways. Josh Hollingsead and Adam Biggs represented McKendree in the American History Division at the Phi Alpha Theta Northern Illinois Regional Conference, April 1 at Wheaton College. Josh received a first place award and Adam received a second place award.

Pi Gamma Mu and Kappa Kappa Psi

Pi Gamma Mu is McKendree's honorary society for students in the social sciences of economics, history, political science, psychology, or sociology. The purpose of Pi Gamma Mu is to improve scholarship in the social sciences, in that it fosters an environment of mutual understanding of different opinions in which problems are approached through social service and humanity. Moreover, Pi Gamma Mu supports social science organizations already in existence. In order to be inducted into this honorary society, students must have studied over 20 hours in the social sciences and earned a 3.0 grade point average or higher in all of their courses, both for major and general education requirements.

In over 160 colleges and universities, Kappa Kappa Psi is a student service and leadership society who aids the Band Directors in increasing leadership and passion needed by their musical band. A main goal of KKPsi is to strengthen their band community though various individual and group service projects both at their institution and in neighboring communities.

Sponsored by Mr. David Boggs, Executive Board members Amanda Farrell (President), Chris Gass (Vice President), Robby Campbell (Corresponding Secretary), Brian Kloppenburg (Recording Secretary), Nathan Harris (Treasurer), and Jayme Blandford (Sergeant at Arms) have spearheaded McKendree's own chapter of KKPsi. The co-ed group, currently in their Colony Stage, hopes to become a chapter by spring 2007 after completing required rituals throughout the summer and fall of 2006. Membership, by invitation only, is extended only to those who participate in band

Though not yet a full-fledged chapter of KKPsi, this group has hosted receptions after band concerts and volunteered helping with O'Fallon High School's IHSA Band Competition. In addition, they worked closely with the Alumni Association to host the first, and hopefully annual, Big Band Extravaganza at which all jazz bands and combos played. There, they raised money by raffling off Treasurer Nathan Harris' homemade cakes and taking "prom" style photos. Also, some attended a KKPsi conference in West Virginia providing an opportunity for networking and for seminar participation.

Stop Right There
Timothy "Fabulous" Fahrenhorst and company make another Bearcat defensive stop.

The year started out on a high note for the Bearcats. During the first three home games, they did not give up any points to their opponents. It wasn't until the Bearcats played St. Francis (IL) that their home shut-out streak ended by three points. Unfortunately the end of the season was a repeat of the previous two years. The Bearcats were sadly defeated in the first round of the playoffs by Evangel University by a mere three points. This brought the Bearcats season to an end with an 8-3 record.

The Bearcats senior class featured some exceptional talent that will be hard to replace. Fullback Lamont Benn and running back Daryle Jones led a rushing attack for the Bearcats offense, linebackers Deveon Moss and Marcus Mann played strong defense, and kicker Stephen Webb ended his career with 248 points. Despite this loss, 8 of 11 starters on defense and many offensive players will return next year and will look for a return to the top of the NAIA

The men's soccer team had another exciting year earning the title of Region V Champions and qualifying for the National Tournament. Head Coach Tim Strange commented, "These guys set a goal at the beginning of the season to make it to nationals. They battled their way through the playoffs and made it a reality." The Bearcats qualified for Nationals by beating the number one seeded team, Missouri Baptist University, 2-1 in an exhilarating final match. This year there were seven returning starters: Sophomores Craig Vigar and Gareth Batchelor and Senior Scott Kutscher. Coach Strange attributed our strong defense to them. Strange also commented this season that, "This is the most close-knit team that I have ever been associated with." Teamwork and camaraderie is a very important aspect for championship teams to have and the Men's Soccer team was a good example of that this year.

The Bearcat Women's Soccer team has been very successful over the last couple of years. However, in 2005, they raised the bar even higher. The team was led by a strong list of returnees and a handful of newcomers. Standout performances were delivered by Jenna Shellenburg, fifteen goals and three assists, Brittany Fuzessery, ten goals and three assists, and Katie Hubbard, eight goals and seven assists. They captured the conference championship for their third consecutive year. They were also the NAIA Region V champions, which qualified them for the national tournament. The ladies finished the year with a record of 17-3-1.

Volleyball 1983-1984
Coached by Liz Crotty, the 1983-1984 Bearcats had a season record of 28-9. They took the NAIA District 20 Championship before advancing to bi-districts where they were defeated by St. Ambrose.

With four returning starters and two additional letterwinners returning, the 2005 season looked to be very promising. The Bearcats were led by seniors Kristen Marsaglia, Kelly Tiefenbrun, Chrissy Simones, and Tricia Winter. Participating in an extremely competitive conference, the Bearcats ended their season 9-5 in the American Midwest Conference and a 23-16 overall record. The Bearcats are coached by Head Coach Evelyn Bean and Assistant Coach Jen Lerch.

This year's hockey team had a rocky midseason, but they came together, and fought until the end, finishing with an outstanding third season. Head Coach Bill Misiak led the Bearcats to a season record of 22-16-1. Sophomore Scott Roberts led the team with 52 goals and 89 points. Freshmen Kyle Ilges led the team in assists with 47. The season ended with a heartbreaking loss to DePaul University in the MACHA (Mid-America Collegiate Hockey Association) Championship round. With the Bearcats trailing by a goal after one period, DePaul pulled away for a decisive win.

On Your Mark...Get Ready...Smile!
The Men's Cross Country team from 1933 made quite a name for themselves. They were tough competitors to the very end in the few meets in which they participated.

Gary White, in his 10th season, coaches the Cross Country team. McKendree's Cross Country team had a total of six women and eight men. These athletes had in mind a goal to be the best that they could. They competed in four Cross Country meets during the season. These participants had a strong effort to proceed on to the NAIA Region V Championship in Fayette, Mo. Unfortunately no one on the team made it. Next year they expect to do it as this team has a lot of potential.

The Bearcat track team had several notable individual finishes this season. During the Missouri Relays, Sophomore Allen Haye gained two top ten finishes. He placed third in the 200 meter and seventh in the 400 meter. Iantha Burke also did well at the Missouri Relays and finished eighth in the 400 meter. Another individual that should be recognized is Glenis Pino for finishing fourth in the pentathlon at NAIA Indoor Track and Field National Championships. After the first day of competition Glenis was sitting in twelfth place, but worked her way up the ladder. As a team there were actually fourteen Bearcats that qualified for nationals and represented McKendree very well.

This year's team started the season off right with a women's first place finish in the Orange and Black Classic held in Beavercreek, OH. Both the men's and women's teams were coached by Gary White, who started the program five years ago. The men's highest finish this year was fifth place in both the Leatherneck Classic held in Moline, IL and the Eagle Classic held in Dayton, OH. This year was somewhat of a rebuilding year for the team since it had lost several seniors. All in all, the newbies did satisfactory during the season, and show much promise for the future. There were a handful of individual accomplishments that should be noted as well. Sophomore Gretchen Ulferts was the top women's bowler for the Leatherneck Classic averaging 219 for 6 games. Freshmen Rebekah Diers led the Keystone Quaker Classic in Allentown, PA averaging 202, and Junior Chris Markham earned the All-Tournament honors at Midwest Collegiate Tournament held in Wauwatosa, WI.

The Men's basketball team struggled at times this year. Going into the season there were five returning lettermen including three starters. Four of five of those returning were seniors this year: Brad Fischer, Bryant Lyles, Chris Shields, and Aaron Bond. Among the team's accomplishments were Head Coach Harry Statham achieving his 900th victory on November 25 against Freed-Hardeman University and the team finishing the season as runners-up for the American Midwest Conference title. Individually, Junior Mike Strobbe was named the AMC Player of the Year. The season ending loss of 76-83 was a heart-breaker against the University of Illinois-Springfield. However overall the season record was a winning one at 19-14.

Women's Basketball had a year with outstanding accomplishments. The team was guided by Melissa Ringhausen in her ninth season as Head Coach. After losing so many seniors last year it was entertaining to watch how well the newcomers handled the pressure and stood up to competition. In all, there were six newbies including five freshmen: Tasha Coolidge, Kelsey Park, Emily Best, Julie Garrison, Amanda Schuring, and Leah Shan. Ringhausen commented, "I am really proud of our girls. We have a young team and we played exceptionally well." The girls did an excellent job this year, winning the AMC (American Midwest Conference) Championship 50-48 in an edge-of-your-seat victory over Missouri Baptist University. The season was an exciting one that has fans eager for next season.

The guys kicked off their season with a sweep of Harris-Stowe University 9-0. The rest of the tennis season was steady, but it unfortunately came to an end April 29. During the NAIA Region V Tournament the men lost to Benedictine College 0-5. Participants in McKendree's efforts this season were Senior Greg Mennerick, Juniors Daniel Quinn, and Lee Gross, Sophomores Ben Scholoesser, Andres Marquez, Matt Whetstone, and Brad Stone. Senior Greg Mennerick was named NAIA Scholar-Athlete.

The Baseball team had a fantastic season this year. Jim Boehne embarked on his ninth season with the Bearcats. The team won the AMC (American Midwest Conference) Championship by beating Missouri Baptist University. This marks the seventh consecutive AMC title. Four members were named All-Region: Junior Ryan Meyler and Seniors Josh Bell, Brian Dinkelman and Lance Marcum. Dinkelman had an outstanding season, breaking several McKendree and NAIA records. Among his list of accomplishments, he became the NAIA all-time leader in runs, total bases, assists, doubles and hits, and he set the McKendree record for hits and stolen bases. Marcum was also named NAIA Region V Co-Pitcher of the Year and NAIA All-American and signed a free agent contract with the St. Louis Cardinals.

Coach Evelyn Bean, in her ninth season, led her women through a record breaking year. The season took off with 8 returning starters, 4 transfers, and 4 freshmen. As a team, the women broke the school record for hits in a game on March 19 during the William Woods University Tournament. Additionally, four home runs were hit in one game on April 1 against Ohio Dominican. Freshmen catcher Angie Maue earned AMC (American Midwest Conference) Freshmen of the Year and Player of the Year honors. In addition, she has also set McKendree records for home runs with 15 and runs batted in with 65. Another Freshman, Amy Quirin was named All-Region. It should also be noted that the Women's softball team earned the NFCA All-Academic team honor this season. The McKendree Softball team had a great year and it will be exciting to see what they can accomplish next year.

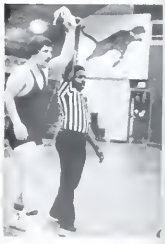
Takedown
Brandon Wyms tosses his opponent around like a rag doll, trying to rack up more points for McKendree.



The Champ
Mike Mueth is declared the winner! Dr. pat Folk established this Bearcat varsity wrestling team in 1984. It was eventually discontinued until 2003-2004 when McKendree College added it to its varsity sports once again.

Holdin' on
Clay Weier works on putting his opponent into a hold.

Domination
Kyle Jahn dominates the mats as he works on pinning his opponent.

Coach Kisgen led his team through another exciting season. For the 2005-2006 Wrestling season there were several key returnees such as Juniors Josh Blackburn, Trevor Maloch, Ben Laux, and Clay Weier and Sophomore Justin Blackburn. In addition to these athletes, fifteen new freshmen were added to the team. There may not have been tons of team victories, but there were individual accomplishments that should be noted. Kyle Jahn took an impressive first place finish at the NAIA Eastern Regional. He went on to represent McKendree at Nationals along with nine other Bearcats. Other finishers from the NAIA Eastern Regional were Trevor Maloch in fifth place for the heavy weight division, Clay Weier who finished sixth in the 165lbs. division, and fourth place was taken by Josh Blackburn, Adam Hicks, and Ben Laux in the divisions of 157lbs, 184lbs, and 197lbs.

2005-2006 Wrestling Team
Hershel Tendler, Tyler Webster, Ian McGill, Craig Honeywell, John Kusick, Kyle Jahn, Brian Markway, Jesse Coale, Conor Fitzgerald, Greg Smith, Robbie Grose, Greg Waag, Kyle Waag, Dominic Angelo, Ben Laux, Allan Miller, Levi Haugen, Josh Blackburn, Kevin Flinn, Clay Weier, Matt Grogan, Richard Isom, Andrew Cheesman, Chas Maloch, Brandon Wyms, Adam Hicks, Jared Sugden, Daniel Vizcaya, Justin Blackburn, Megan Hunter, Jake Janek, Trevor Maloch, Head Coach James Kisgen, Athletic Trainers Sarah Springer, Amanda Angelo, Chad Willard, and William Dill

Golf

Old Putters

Nice and Easy

Bob Johnson and Dave Rowlings, fellow Bearcats from 1963, practice their putting skills

05-2006 Men's Golf Team

e McCarthy, Phil Schildknect, Mike Speicher, Brad Maggio, chael Nichols, Coach Trent Poelker, Brent James, Stephen les, Zach Rednour, David Padgett, and Zane Belden

Men's and Women's golf both had decent seasons this year. Led by Coach Trent Poelker, the Men played exceptionally well in the Region V Invitational Championship tying for first place with Missouri Valley College. Three golfers finished in the top ten: Senior Zane Belden tied for first, Senior Phil Schildknecht received 3rd, and Senior Lee McCarthy received 8th. The Women were coached by Cindy Mackey and they achieved 6th place in the McKendree Invitational. Individually, Senior Amber Henn received All Region Honors. The team was small in number this year with only two returnees (Amber Henn and Leah Jacoby) and four newcomers.

Do You Recognize These Faces?

These faculty members have been at McKendree for quite some time! Top row: Dr. Murella Bosse (1978), Dr. Jean Kirts (1973), and Dr. Patrick Folk (1978) Bottom row: Dr. Myron Reese (1973), Dr. Philip Neale (1975), and Harry Statham (1974).

Even this previous student from 1985, Jeff Campbell, now Alumni Director and Yearbook Advisor, can't stay gone long.

Hail to Thee Our Dear Old McKendree
Emily Best and Kelsey Park sing the McKendree fight song during convocation.

Jennifer aka "Sweet Pea,"

Congratulations! We are so proud of you and all you have accomplished. You are a wonderful daughter and sister. May all of your dreams come true.

We Love You!
Mom, Dad, and Christopher

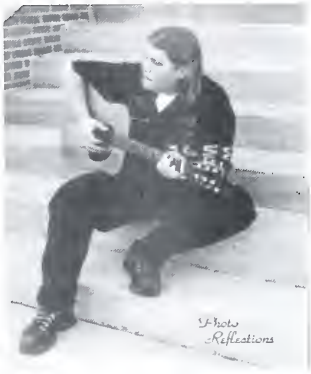
Rick,
From your first day of pre-school to your last day of college, it's been a blast!
With much love and pride,
Mom

Sami,
We are so proud of you! We always knew you would succeed in whatever you chose to do. May you reach all the rest of your goals in life.
Love,
Mom, Dad, Jenny, Grandma, and Grandpa

Erica,
Congratulations! We are so proud of you. Hope your party is a blast.
Love,
Chris and Ethan

Sean,
About time!!
Love,
Mom and Dad

Way to go
Angie-we are so
proud!
Love,
Mom and Dad



Devin,
Congratulations! Always follow your dreams! We are proud of you!
Love,
Mom, Dad, and Laura

Leslie,
It seems just a short time ago that you started first grade. We blinked and you were graduating from high school. Now, you have accomplished another wonderful chapter in your life as you graduate from college. You've grown into a beautiful and successful young woman. We are so proud and we look forward to sharing with you the anticipation and excitement of graduate school and beyond. God bless you.
Love,
Mom, Dad, and Tegan

Sara,
On June 8, 1984 something very special happened. two people suddenly became a family. You, at that moment, began to bring such happiness and love to our lives. From that day on, the happiness, love, and pride has only grown with each level of your life's accomplishments. Congratulations and remember ..the memories that we now treasure and hold so dear in our hearts, will always remind us that the world was given a very special gift. Be strong and may God bless each and every day of your life's journey.
Love,
Mom, Dad, and Jess

Congratulations, Neal Geluck!

You have very successfully completed your college leg of life's journey. We are so proud of you. May the rest of your journey be full of fun, excitement, health, happiness, prosperity, and love.
Love forever,
Mom and Dad

Congratulations Keith!
Love,
"The Jackson Clan"

Dear Tim,

Congratulations on a job well done. You did a four year job in three and a half years. You said you would do it, and you did! You deserve all the credit. You worked very hard; this honor is yours.

The next step is going out and start doing what you want. Guess what? You have to work very hard again. You did it once; you will do it again. Everything you need and want is out there; you will find it. You know what you want, and you will do it.

Your brother, dad, and I love you, support you and will always be there for you.

Love,
Mom, Dad, and Fred

Congratulations Class of 2006!

Editor's Note

Wow! This year really flew by. One minute it was Homecoming; I blinked and graduation was over. All in all, I had a load of work, but I had fun doing it. Somewhere in between classes, work, an internship, and senior thesis was the yearbook. I went into this year with some major doubts. First, I had to deal with a new yearbook advisor who had never worked on a yearbook. Second, I basically had no staff, almost everyone from the year before left me. Lastly, I had no time and I was graduating. After a couple of stress relieving breaths, I was ready to face my doubts. I met Jeff Campbell, the new advisor. He had some great ideas and plans for the book. This made me start feeling a little better about the direction we were heading. During the first week of school Jeff and I did some recruiting for staff members. I couldn't believe the turnout. About 30 people expressed some interest. After the first few months the staff shrank down to about 10 dedicated individuals. I couldn't have asked for a better advisor or staff. Although I myself didn't have enough time in the day, with the help of the staff we were able to get things accomplished The result is this exciting book of a year at McKendree.

Now I would like to leave a little personal note to each of my staff members. James - I can't believe the amount of events you were able to attend and photograph. Thank you for sharing. Beth - Thank you for all the help in keeping me and the photos organized. Your dedication will make you a great co-editor next year. AJ - Your comic relief was much needed. Thanks for making time in your busy schedule to work on the staff. Sarah - Thanks for coming back to work on the staff. I enjoyed having you back. Lauren - I was glad to have someone with yearbook experience on the staff. Have fun next year as co-editor and don't worry, you will learn who people are. Josh - I wish you would have had time to co-edit with me again this year. I enjoyed the singing and story time that you provided. Tina - I wish I would have seen you more often. You were an excellent and much needed proofreader. Dani - Thanks for taking photos and offering your help. Sorry for almost killing you at Dr. Jazz with the peanut butter. Chris - You were a piece of work, but a great idea man. Hope you enjoy the cover. Jeff - You did a good job as a first time yearbook advisor. Hope you have fun and good luck with the years to come.

Well, I loved my time here at McKendree and as yearbook editor. I hope in the future when I come back as an alumna I see many more interesting yearbooks in the shelves at the Alumni House.

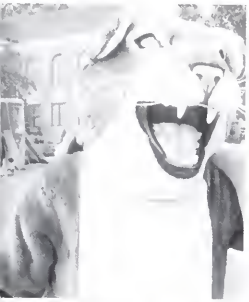
The Staff

James Cole, Photographer; Beth Newman, Photo Editor/Layout; Adrian Jones, Photographer/Layout; Sarah Haas, Layout; Lauren Hettenhausen, Layout; Josh Hollingsead, Photographer/Layout; Jeff Campbell, Advisor; and Sami Harriss, Editor. Not pictured: Dani Loucks, Tina Napper, and Chris Andrews.



Acknowledgements

The yearbook staff would like to thank everyone who made this book possible. Special thanks goes to Kim Lobring, Melissa Haas, Rick Windham, Scott Cummings, and Michele Peck for sharing their photographs. Thanks also to Gabe Shapiro's Composition Class for writing many articles. Thanks to Institutional Advancement for the use of their computers and facility and to Information Technology for setting up our yearbook drive and giving our staff access. Many thanks to the parents and vendors that bought advertisements and helped fund our book. Thanks to Ed Sugden for being our Jostens representative and the Jostens photographers for taking student photos. We also want to thank Jeff Campbell for jumping in head first without knowing what he was getting into and being a great advisor. The biggest thanks to the McKendree community for giving us a great year and exciting yearbook.

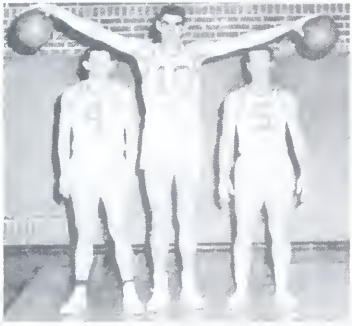
The McKendrean
Then & Now



Colophon:
The 2005-2006 "McKendrean," Volume 89, was published by Jostens at its printing plant in Topeka, KS. Pressrun was 200 copies. The cover was designed by Jostens artists in conjunction with the McKendrean Staff. The theme of "Then and Now" was chosen to honor McKendree and its accomplishments throughout her history. We wanted to show how McKendree has grown and changed physically, while staying true to the emphasis on liberal arts education. The 160 page book was printed on trim size 8 which uses 8.5 x 11 inch sheets of paper. Design, layout and copy were completed via the internet using Jostens "Yearbook Avenue." Typefaces included Americana, Helvetica, Garamond, and Times. Student photos were taken by Jostens photographers. Club, organization, and candid photos were taken by Yearbook staff members, Rick Windham, and Kim Lobring, Director of Media Relations. Josten's representative was Ed Sugden. Yearbook Advisor was Jeff Campbell, Director of Alumni Relations. Yearbook Editor was Sami Harriss.
